SINCE 1851

E. Wedel

E. Wedel has 170 years of experience in chocolate production. We only use best quality ingredients - like cocoa beans from Ghana. Ghana beans are famous for their rich, bitter but at the same time well balanced taste. Carefully selected ingredients and many years of experience in developing the best chocolate recipes make Wedel tablets so unique and loved by consumers.

E. Wedel taste are:

Intensive, rich,
true chocolate

Multidimensional

Based
on cocoa

Characteristic,
unique, special

Slowly
developing
in mouth

Delicate, subtle,
velvety

SINCE 1851

E. Wedel

WHY BOY AND ZEBRA?

Jan Wedel, one of the three founding fathers of the E. Wedel brand, was a very innovative person. Both when it comes to product novelties and marketing activities. It was Jan Wedel who had the image of a boy on a zebra created.

The first image of a Boy on a Zebra; ordered by Jan Wedel, was created by Leonetto Cappiello in 1926.

The original poster presents a zebra: a reference to Ghana, from where cocoa for E. Wedel's chocolate production is obtained, along with a boy who has 3 bars of chocolate on his back: milk, lightly dark, and a dark one, symbolising diversity of the portfolio.

In 2020 we used storytelling and placed our Brand Heroes on the packaging.
